School Description

Anna Borba will be recognized as a community of learners who work together to maintain high expectations and who are focused on student achievement.

Mission

As a Professional Learning Community, we will:
Meet the learning needs of all students
Ensure a caring, safe and supportive learning environment
Maintain high academic and citizenship standards
Optimize student achievement through assessment and accountability

As a No Excuses University school, we believe all students can achieve and succeed. We also believe that all students should have the opportunity to be prepared for college when they graduate from high school. Not only do we stress the academics, but character is also important as we learn about the Six Traits of Character (Trustworthiness, Respect, Responsibility, Sharing, Caring and Citizenship) throughout the school year. The students' road to college begins today at Anna Borba!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at 909-627-9638 or the district office.

2014-15 Student Enrollment by Grade Level						
Grade Level Number of Students						
Kindergarten	106					
Grade 1	99					
Grade 2	81					
Grade 3	85					
Grade 4	66					
Grade 5	83					
Grade 6	72					
Total Enrollment	592					

2014-15 Student Enrollment by Group					
Group	Percent of Total Enrollment				
Black or African American	0.8				
Asian	1.2				
Filipino	0.3				
Hispanic or Latino	93.1

Two or More Races	0.5				
Socioeconomically Disadvantaged	85.8				
English Learners	51.5				
Students with Disabilities	15.4				
Foster Youth	0.2				

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials								
Borba (Anna A.) Fundamental Elementary	13-14	14-15	15-16					
With Full Credential	24.3	28	28					
Without Full Credential	0	0	0					
Teaching Outside Subject Area of Competence	0	0	0					
Chino Valley Unified School District	13-14	14-15	15-16					
With Full Credential	+	+	1257.8					
Without Full Credential	+	+	12

High-Poverty Schools	95.4	4.6						
Low-Poverty Schools 97.7 2.3								

^{*} High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

On October 14, 2015, the Chino Valley Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 2015/2016-30 which certifies as required by Education Code 60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive.

Textbooks and instructional materials are provided for each student for use in class and to take home. It was determined that each pupil in each school has sufficient textbooks and instructional materials that are aligned to the academic content standards in the core subject areas for the 2015/2016 school year.

*Note: These materials are not from the most recent State Board adoption. The District elected to wait for new additions of State Board approved materials that would be aligned with current Common Core State Standards. To ensure alignment with current state standards the Houghton Mifflin Reading and Language Arts textbook is being supplemented with English Language Arts (ELA) units of study that were written by our ELA teachers using the rigorous curriculum design model. These supplemental units were focused on Common Core State Standards. Our District will begin the adoption process for new ELA materials in early April 2016.

	Textbooks and Instructional Materials Year and month in which data were collected: October 2015

School Facility Conditions and Planned Improvements (Most Recent Year)

The Chino Valley Unified School District provides a safe, clean environment for students, staff, and parents. Custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is in place to keep all classrooms and facilities well-maintained and provide an environment that is conducive to learning. The school site complies with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Safety concerns are the number one priority of Chino Valley Maintenance and Operations department. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Classrooms, bathrooms, and general areas are kept in good repair and receive basic cleaning on a daily basis. Detailed cleaning is done during vacation periods.

School Facilit Year and montl					
			Status		Repair Needed and
System Inspected	Good	Fair		Poor	Action Taken or Planned

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2014-15 CAASPP Results for All Students							
Percent of Students Meeting or Exceeding the State Standards Subject (grades 3-8 and 11)							
·	School	District	State				
ELA	44	55	44				
Math	35 42 33						

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

There are many opportunities for parents to become involved in the life of our school. They may be elected to serve on the School Site Council and English Learners Advisory Committee. These bodies are charged with the responsibility of ensuring that categorical funds are expended in accordance with state and federal guidelines. At some grade levels, parents can also help with setting up materials for classroom activities. Parents may pick up, or download a School-Parent Compact to see what each grade level is expected to learn. In the Compact, different strategies to use at home are also included. The Partnerships for Learning Committee also sponsors several activities to promote a sense of community among our families. Finally, throughout the school year, different parent meetings/workshops are scheduled to provide information or strategies on a variety of topics.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Each school has a detailed School Site Safety Plan for emergencies. Each staff member is assigned a specific responsibility in the event of an emergency. Staff members are trained in the plan's components and procedures. Fire, earthquake, and intruder drills are held on a regular basis so that all students and staff are familiar with emergency procedures. Emergency supplies are located on each campus in the event of an emergency.

Assigned staff monitors school grounds daily before, during, and after school. The District policy regarding campus visitors is enforced by requiring everyone to check in at the school office and obtain a visitor's badge. A visitor sign-in log is located in the school office and all visitors must sign in before going onto the campus. In addition, all visitors must wear an identifying badge while on campus. To increase security, all gates remain locked during the school day, so visitors must enter campus through the school office.

The Chino Valley Unified School District is committed to providing an environment that fosters health and safety, in both form and function. This commitment extends to the process of developing and maintaining a comprehensive Emergency and Disaster Preparedness Plan as a part of the District's Safe Schools Plan and is evident from the individual site to the overall District. These plans delineate actions to protect all students while they are at school. The plans are designed with the help of security staff members, local law enforcement, local fire, and emergency management, and public health officials as required by Education Code 32280-32282.

Plans are reviewed and updated yearly in accordance with Education Code 32286. These plans include procedures to respond to critical incidents, such as fire, earthquake, or intruders. School personnel practice these drills regularly.

The primary purpose of the Chino Valley Unified School District Emergency and Disaster Preparedness Plan is to define roles and responsibilities at the site and between the site and district office management. The Emergency and Disaster Preparedness Plan establishes the minimum requirements for school and site plans throughout the District. This Plan meets the requirements of the Standardized Emergency Management System (SEMS) as mandated by California Code of Regulations, Sections 2400-2450, and the National Incident Management System (NIMS) as mandated by Government Code 8607. It also meets the requirements for earthquake preparedness found in Title 5 (California State Education Code, Sections 35295-35297).

For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Professional Development provided for Teachers

The Chino Valley Unified School District is committed to high quality Professional Learning to support the instructional capacity of teachers and leaders. Professional learning opportunities are aligned to CVUSD's Area of Emphasis for Common Core ELA, Common Core Math, 4C's-Critical Thinking, Student Behavior, Instructional Technology and Formative Assessments. These areas were identified by the Teaching and Learning Task Force as focus areas for our district in 2015-16. Professional learning opportunities are evaluated through survey results, feedback, and next steps from End-Users. Professional learning opportunities are varied in its delivery: district-wide days during school hours, after-school workshops and volunteer sessions. Implementation for learning is supported through Site-Based PD from Site Administrators and coaching opportunities from Intervention Specialists.

Types of Services Funded

The district's general fund includes monies for:

- General operations- services, materials, and support to the general education.
- Specific education-programs offering appropriate, individualized education to students with special needs.
- Special projects- monies from agencies (e.g., federal, state) earmarked for specific services.
- 4. Transportation
- 5. Maintenance and operations
- District administration
- LCFF/LCAP- Serves targeted students of the district See District's LCAP plan located on www.cvusd.k12.ca.us

Each school in the district receives an instructional budget based upon enrollment, programs and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
