School Description

Our mission at Chino High School is to be responsive to the needs of our students. This includes current and future needs for students and community a safe and secure environment for students and staff. Lifelong learning experiences, respect for those who may be different regardless of race, creed, color or handicapping condition. Every effort will be made to prepare our students for a global, technological, and information based society. Chino High School's encouragement, guidance, caring attitude and opportunities will enhance the lives of our students academically and in our extra curricular activities. We are committed to enhance student overall development, self-pride, high expectations and respect for others.

We envision Chino High School as a school which enhances learning via the collaboration of staff, students and community. A safe and secure environment which will produce life long learners, critical thinkers and decision-making skills for our students. Language and cultural diversity along with any handicapping condition will be respected. Empowerment of students along with the knowledge of technology and a greater appreciation of the arts will prepare students for their future. Upon graduation students will have a sense of self-pride, the worth of self and others along with the skills to compete effectively in the 21st Century.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at 909-627-7351 or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

On October 14, 2015, the Chino Valley Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 2015/2016-30 which certifies as required by Education Code 60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive.

Textbooks and instructional materials are provided for each student for use in class and to take home. It was determined that each pupil in each school has sufficient textbooks and instructional materials that are aligned to the academic content standards in the core subject areas for the 2015/2016 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Chino Valley Unified School District provides a safe, clean environment for students, staff, and parents. Custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is in place to keep all classrooms and facilities well-maintained and provide an environment that is conducive to learning. The school site complies with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Safety concerns are the number one priority of Chino Valley Maintenance and Operations department. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Classrooms, bathrooms, and general areas are kept in good repair and receive basic cleaning on a daily basis. Detailed cleaning is done during vacation periods.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and

• The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement
In an effort to increase parent and community involvement, Chino High School has a School Site Council, a Parent-Faculty-Student Association, English Advisory Committee, Parent Advisory Board, Sports Booster Club, Band Booster Club, Drama Booster Club, and Pep/Cheerleader Booster Club. In addition, Chino High School hosts special events: Principal for a Day, Parent-Teacher Conference Nights, and Parent Workshops. Chino High School has established numerous partnerships that include local businesses, community agencies such as NAMI (National Alliance on Mental Illness) and ReachOut, and articulation agreements with Mt. San Antonio and Chaffey Community Colleges. These partnerships plan, advise, support, and validate the mission and vision of the school to increase student achievement and promote a drug-free environment in order for students be successful life-long learners.

Chino High has a website (http://www.chino.k12.ca.us/chinohigh) that students and parents can use to obtain up-to-date information about the school.

State Priority: School

State Priority: School Climate
The SARC provides the following information relevant to the School Climate State Priority (Priority 6):
• Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan
Each school has a detailed School Site Safety Plan for emergencies. Each staff member is assigned a specific responsibility in the event of an emergency. Staff members are trained in the plan's components and procedures. Fire, earthquake, and intruder drills are held on a regular basis so that all students and staff are familiar with emergency procedures. Emergency supplies are located on each campus in the event of an emergency.

Assigned staff monitors school grounds daily before, during, and after school. The District policy regarding campus visitors is enforced by requiring everyone to check in at the school office and obtain a visitor's badge. A visitor sign-in log is located in the school office and all visitors must sign in before going onto the campus. In addition, all visitors must wear an identifying badge while on campus. To increase security, all gates remain locked during the school day, so visitors must enter campus through the school office.

The Chino Valley Unified School District is committed to providing an environment that fosters health and safety, in both form and function. This commitment extends to the process of developing and maintaining a comprehensive Emergency and Disaster Preparedness Plan as a part of the District's Safe Schools Plan and is evident from the individual site to the overall District. These plans delineate actions to protect all students while they are at school. The plans are designed with the help of security staff members, local law enforcement, local fire, and emergency management, and public health officials as required by Education Code 32280-32282.

Plans are reviewed and updated yearly in accordance with Education Code 32286. These plans include procedures to respond to critical incidents, such as fire, earthquake, or intruders. School personnel practice these drills regularly.

The primary purpose of the Chino Valley Unified School District Emergency and Disaster Preparedness Plan is to define roles and responsibilities at the site and between the site and district office management. The Emergency and Disaster Preparedness Plan establishes the minimum requirements for school and site plans throughout the District. This Plan meets the requirements of the Standardized Emergency Management System (SEMS) as mandated by California Code of Regulations, Sections 2400-2450, and the National Incident Management System (NIMS) as mandated by Government Code 8607. It also meets the requirements for earthquake preparedness found in Title 5 (California State Education Code, Sections 35295-35297).

Professional Development provided for Teachers

The Chino Valley Unified School District is committed to high quality Professional Learning to support the instructional capacity of teachers and leaders. Professional learning opportunities are aligned to CVUSD's Area of Emphasis for Common Core ELA, Common Core Math, 4C's-Critical Thinking, Student Behavior, Instructional Technology and Formative Assessments. These areas were identified by the Teaching and Learning Task Force as focus areas for our district in 2015-16. Professional learning opportunities are evaluated through survey results, feedback, and next steps from End-Users. Professional learning opportunities are varied in its delivery: district-wide days during school hours, after-school workshops and volunteer sessions. Implementation for learning is supported through Site-Based PD from Site Administrators and coaching opportunities from Intervention Specialists.

Types of Services Funded

The district's general fund includes monies for:
1. General operations- services, materials, and support to the general education.
2. Specific education-programs offering appropriate, individualized education to students with special needs.
3. Special projects- monies from agencies (e.g., federal, state) earmarked for specific services.
4. Transportation
5. Maintenance and operations
6. District administration
7. LCFF/LCAP- Serves targeted students of the district See District's LCAP plan located on www.cvusd.k12.ca.us

Each school in the district receives an instructional budget based upon enrollment, programs and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

Career Technical Education Programs

Our vision includes a relevant and rigorous academic program that integrates with career technical education. Chino Valley Unified School District (CVUSD) will provide the opportunity for all students to master the academic standards, develop physical and social skills, and apply them with the vocational and technical skills of Career Technical Education (CTE). The purpose is to prepare our students to successfully interact, communicate, and work in key industry sectors that are vital to our local, state, and global economies. Through proper preparation, our students will acquire the necessary education and skills to enhance, support, and grow our global economy. The goal of CVUSD includes changing, improving, and enhancing the philosophy of career technical education from past practices to a paradigm shift that includes rigorous, relevant, and quality programs that prepare students with a seamless transition to the workforce, technical training programs, and postsecondary education. Students will have universal access to all CTE programs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
