Dear Family Members!

Moving from third grade to fourth grade is a BIG JUMP in so many ways.

- moving from a primary grade to an elementary grade
- no longer learning to read, but **READING TO LEARN**
- social-emotional differences

These are just a few of the many changes that will take place. You are invited to attend a workshop that will address these changes and more!! You will want to support your child through one of the most difficult changes in their school life.
