What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

- Describe how teachers will help students develop those skills using high-quality curriculum and instruction

Teachers, Parents, Students—Together for Success

In the Classroom

The First grade team will work with students and their families to support students' success in meeting or exceeding the CA Common Core State Standards. Some of our key ways to connect our classroom practices with the school goals will be to:

- All students will participate in the Language Lab for 30 minutes every day. The teachers will also implement 4 C's strategies (visuals, realia, partner and small group work)
- All students will develop goals (Math, Reading and Writing)
- The teachers will focus on positive behavior throughout the school day.

At Home

Here are some ideas of how families can support students' success:

- Read and tell stories in your native language.
- Read to your child daily (English and bilingual books). Ask: who, what, when, where, why questions.
- Talk with your child daily.
- Discuss with the student the goals that are set at school (Math, Reading and Writing).
- Use the Home School Connection games at home to practice the skills being learned at school. Provide access to parents through the iXL and Jiji websites.
- Encourage parents to be positive role models by bringing their child to school on time, with their work and prepared to learn.
- Attend ELAC (English Language Acquisition Committee) meetings, school wide events and parent-teacher conferences
