February 2017

Dear Student of the Chino Valley Unified Class of 2017:

Education is a powerful tool! Continuing your education beyond Chino Valley Unified School District is more important than ever as you face competition from students around the globe. Your teachers, the school staff, and everyone on the CVUSD team have done all they can to ensure that you have received a world class education to enable you to enjoy success both as a student and in the work force. Together, we will celebrate your graduation in June.

We want to recognize and reward those students who enriched their educational experience by becoming an active participant at their school or in their community, have exemplified spirit and academic prowess, or have stayed loyal to learning. The generous support of the District's golf tournament in March by friends, family, and community enabled us to raise funds to offer scholarships to provide assistance to students seeking a post-secondary degree.

The scholarships recognize important aspects of a student's educational career and will be awarded to students at each of the following schools: Ayala, Buena Vista, Chino, Chino Hills, and Don Lugo high schools. The scholarships available are:

- **Spirit of Chino Valley Unified School District**
Awarded to a student who has volunteered at school or in the community, has embodied school spirit by serving in a student leadership role, has participated in school activities that promote good citizenship, and has an outstanding attendance record.
- **President's Award**
Awarded to a student in need of financial assistance to continue their education.
- **Superintendent's Award**
Awarded to a student who has embraced academic rigor and excelled by earning an overall grade point average of 3.8 or higher.

The deadline to apply is March 6, 2017. Applications and required documents must be turned into your principal's office. The selections will be made by the Chino Valley Unified Scholarship Committee. Scholarships will be presented during graduation activities at each school.

Our best to each student for continued success!!!

Sincerely,

Wayne M. Joseph
Superintendent
