

## **Child Development teacher receives special recognition from Associated Chino Teachers**

Joann Bartel, head child development teacher at the Children's Center on the Chino Valley Adult School campus in Chino, has received special recognition by the Associated Chino Teachers (ACT) for her work at the center.

She was recognized at an ACT ceremony this spring and at the May 18 Chino Valley Unified School District Board of Education meeting at Woodcrest Junior High in Ontario.

Bartel, who has been working with at the Children's Center for 14 years, recently received a 6.2 score out of 7 on the State Audit of the Children's Center.

She joined the Chino Valley Unified School District in March 1998 at the after school E.J. Marshall Elementary School Fun Club in Chino. From 1999 to 2001, she was at the Anna Borba Elementary Fun Club in Chino. She returned to the Marshall Fun Club for the 2001-2002 school year. She joined the Children's Center in 2002, when it was located in a small building just east of Marshall Elementary. The Center was later relocated to its present site on the Adult School campus.

A parent of a student attending the Children's Center describes Bartel as "very professional, welcoming, and informative."

“Thank you for truly loving, caring and pushing all your preschoolers to excel academically and for providing hugs to a tired Mom just trying to hold it all together,” said another parent.
