Jonah Botello new student representative to the Chino Valley Unified School District Board of Education

Jonah Botello, an incoming senior at Chino Hills High School, is the new student representative to the Chino Valley Unified School District Board of Education.

He took the oath of office from Board President Sylvia Orozco at the Board's May 18 meeting at Woodcrest Junior High in Ontario.

Jonah will represent CVUSD students on the Board in the 2017-2018 school year. His first official meeting is Thursday, Aug. 17. Although the student representative is allowed a preferential vote, it does not count towards the Board's final tally.

Jonah will serve as president of the District's Student Advisory Council in the 2017-2018 school year. He is actively involved in Chino Hills High activities, including the Associated Student Body, where he has served as class secretary/treasurer, vice president, and currently as the Commissioner of Communications.

He likes to dance and was instrumental in creating a dance club at Chino Hills High.

Jonah plans to attend college and study in business and minor in dance.

He was also one of the junior Honor Guards for the Chino Hills High Class of 2017 commencement ceremony, held May 31 at Citizens Business Bank Arena in Ontario.
