

From the San Bernardino County Superintendent of Schools Office:

Enrollment sought for nine State Preschool programs in Chino area

CHINO – The San Bernardino County Superintendent of Schools is accepting enrollment for nine state-funded preschool programs in the Chino area that meet in separate three-hour morning and afternoon sessions from Monday to Friday. The available sites for the state preschool programs are at Anna Borba (two sites), Chaparral, Cortez, Doris Dickson, Levi Dickey, Marshall, Newman, and Third Street. The state preschool programs are for low-income families who meet eligibility requirements.

First priority for enrollment is given to 3- and 4-year-olds referrals of Child Protective Services, regardless of income; 4-year-olds defined by the California Department of Education; and families with the lowest admission priority.

Eligibility for the programs is based on a schedule of income ceilings for Child Care and Development Programs. For more information on each of the Chino state preschool programs, here is contact information:
