ENGLISH LEARNER PARENT ACADEMY

Eight-Week Module

This eight-week module is strategically crafted to meet the needs of the English Learner parent in helping their child with learning and being a successful student, and working on their own literacy. Parents will learn how to communicate effectively with school personnel, learning the right questions and navigating the school system. During the eight weeks, parents will gain knowledge on how to support their child's homework even if the parent is not proficient in English yet. Discussions will also center on volunteering and taking leadership roles at their child's school. Very exciting things will be happening for our ELL parents this year!
