

# Chino Valley Unified School District Strategic Plan

## Our Vision

United together, the CVUSD staff, parents/guardians, community, and Governing Board work to provide an educational environment whereby:

**O**ur students possess the personal and academic skills to be successful, responsible and productive. They are motivated, self-confident, and life-long learners. They exhibit integrity and contribute to the well-being of their communities. They successfully solve problems using their intellectual capacity and appropriate technology tools. They respect the ideas of other people, while holding true to their own convictions. Students recognize that academic achievement is essential to competing in the global economic setting. They face the future knowing that their goals are within their reach, by continuing their education and through their individual commitment and hard work.

## Our Mission

**T**he CVUSD provides all students a rigorous and relevant education in a safe learning environment.

## Our Core Values

- All students can learn.
- High academic expectations can be met through excellent teaching and active learning.
- Each student has unique strengths that are recognized and nurtured.
- Each student has unique needs that are recognized and addressed.
- Building character is as important as building minds.
- Parents/guardians are our partners in the educational process.
- Collaboration, cooperation and respectfulness are essential in the learning environment.
- Community partners are essential to enriching the lives of students.
- We provide excellent service to all students.
- Positive school climate supports student learning.

## Our Motto

Achievement ♦ Safety ♦ Positive Climate  
Humility ♦ Civility ♦ Service

## Goals for 2014/2017

- ▶ Each student will gain at least one proficiency level each year as the result of highly skilled instruction and the use of instructional technology.
- ▶ All students receive skilled instruction based on the common core standards, which will lead to graduation and success in college and career.
- ▶ High school students will have the opportunity to participate in one of two well-developed pathways.
- ▶ All students and staff will possess the 21st century skills required to access and use appropriate technology to increase student academic achievement.
- ▶ Students, parents, staff and the community receive ongoing and timely communication through a variety of formats.
