JHS

LOST & FOUND

Be sure to check the Lost & Found rack before we go on Winter Break! All of the items left on the Lost & Found rack will be donated to charity at the end of the day on December 16.

FOOD DRIVE

Once again, our Howard Cattle Community has left us speechless. We raised enough food items to cover the stage of the MPR. The back of the Food for Life truck was overflowing with bags of food items! Thank you for your contribution of food items to give back to the community. We are sending a strong message of citizenship to our children when we are able to donate. Mrs. Spicer and Mrs. May's classes were the primary and elementary classrooms who donated the most amount of food items; they have been awarded with an extra recess! And a huge thank you to our ASB Students for collecting and counting food items each day, and to Mrs. Osuns, Mrs. Arrey, and Ms. Vande Steeg for coordinating the drive.

HOWARD CATTLE SCIENCE FAIR

Calling all Scientists!! If you are in 4th, 5th, or 6th grades and you love Science, then join us for a Science Fair interest meeting on Thursday, December 8 at 11:00am in the Library. Bring your snack. Mrs. Hoo will tell you all you need to know to enter the Howard Cattle Science Fair and ultimately the CVUSD Science Fair.

HOWARD CATTLE TALENT SHOW

Open casting call for talent! Open to students in all grades. Start thinking about which of your talents you'd like to showcase in our annual Talent Show on February 24. Sign-Ups are on January 5 and 6 during lunch and after school. More information to come later!

NEW TECHNOLOGY AT HOWARD CATTLE

We are thrilled to announce that CVUSD has furnished us with 40 laptop computers on 2 laptop carts! How exciting! Now students can work in their classrooms with partners, table groups, individually on laptops rather than having to wait to go to the computer lab each week. Imagine the possibilities...

Did you know that all CVUSD students have a Microsoft Office ProPlus account? Students are

able to store documents in "the cloud" or in their OneDrive to access from anywhere. Students are also able to download Office ProPlus (including Word, PowerPoint, Excel, etc...) on to multiple devices at home in order to continue their work at home. This can be downloaded for FREE through Office 365 by accessing the student tab on our Howard Cattle web page. Check it out!

December Character Trait **RESPONSIBILITY**

GOT CHARACTER?.....We do!!!

We like to recognize students who are showing good character. Tickets are drawn weekly and their actions are shared school-wide.
