Congratulations to Lillian Todd, Matthew Rannis, and David Rodriguez for participating in the Howard Cattle Science Fair. Lillian and Matthew went on to complete in the CVUSD Science Fair. Matthew received a blue ribbon award in the 6th grade division and Lillian received 4th place in the 5th grade division. Lillian will be moving forward to the County Science Fair. All three of our students produced excellent experiments. We couldn't be prouder of their accomplishments and bravery!

DOGS ON CAMPUS

Just a reminder that Education Code states that dogs of any size are not permitted on any California Public School Campus (with the exception of service dogs). We have seen an increase in dogs on our school campus at arrival and dismissal. If you are walking your dog with your child to or from school, please remain on the city sidewalks. Students safety is our number one concern! Thank you for your cooperation in this matter.
