***This is the last Rustler Newsletter for the 2016-2017 school year! What an incredible year it has been! We are so thrilled with all of the academic progress your child has made over the course of the year. Students are continuing to refine their academic skills and develop their individual character. We are proud of their hard work and accomplishments!***

***Over the summer, please continue to have your child read EVERY DAY for 30 minutes to continue to grow! Also, don't forget that IXL, All the Right Type, and Lexia are available over the summer through the Howard Cattle web page. Having your child practice those skills during the off months is a great way to keep him/her sharp for the return of the school year.***

***Have a fantastic summer filled with love, relaxation, and sunshine!***

Each year, parents volunteer their time to conduct art lessons based on historical artists or artistic attributes to classrooms of students. The artwork the students produce through the Art Palette Program is incredible.

Cash and checks will be accepted. More information will be available during the showcase

### **CAFETERIA NEWS**

Students are no longer able to "borrow" money to purchase lunch. Students need to have cash in hand or money in their account to purchase a lunch. If they do not have money to purchase a lunch, students will be given a mini-meal which consists of a fruit, a vegetable, and a milk. EXCEPTION: This does not apply to students receiving free or reduced lunch.

Please be sure to check the Lost & Found regularly. Any items not collected by the end of the school year will be donated to charity.
