TOY DRIVE

Howard Cattle has teamed up with the Make a Wish Foundation with a little help from HC student, Morgan Meek. Howard Cattle is supporting a Toy Drive in which the toys will be donated to the Make a Wish Foundation which helps children with illnesses. Please see the blue

flyer that came home last week or call the school office for more information. All toys should be new and can be brought to school each day during the week of September 12-16. Students can give their toy donation to classroom teacher.

SCHOOL SITE COUNCIL

Would you like to get involved in the decision-making process at Howard Cattle? The School Site Council at Howard Cattle oversees the use of state funds to enhance/refine the instructional program. Three parents join three staff members and the principal to form a council of ten, called the School Site Council (SSC). The council meets about once every other month after school. If you are interested, please nominate yourself or someone else on the Nomination Form sent home separately by **Friday, September 9**. The election will be held the following week. At this time, we are seeking only one additional council member. If you have any further questions, please contact us at (909) 591-2755.

PARENT WORKSHOPS

CVUSD has developed a district-wide calendar of Parent Workshops for the CVUSD school community. Those that are of particular interest to our school community will be listed on our school calendar. Parent workshops provided by the district will be held at the Adult School at the new Parent Resource Center. Please check the CVUSD website for further information.

MONTHLY SUPPLY "ROUND-UP"

We often have people ask what they can do to support our school financially, so we have developed a monthly supply "Round-up" to give some suggestions about what we can use in terms of donations. These donations will be given directly to the classroom teachers for use in your child's classroom. If you are able to donate, please bring the supplies to the school office.
